This decision is in response to applicants' "RENEWED PETITION UNDER 37 C.F.R. 1.10(c)" filed on 13 June 2006, requesting that the receipt date for the national stage papers be changed to 24 January 2005 for the national stage submission for the above identified application.

BACKGROUND

In a decision from this Office on 12 May 2006, the petition filed on 10 April 2006 was dismissed. The decision indicated that items (2) and (3) of 37 CFR 1.10(c) were not met.

On 13 June 2006, the present petition was faxed to this Office which includes, *inter alia*, a copy of the "Express Mail" label and the return stamped postcard showing the "Express Mail" label number was placed before the application was mailed.

DISCUSSION

Applicants have satisfied items (2) and (3) of 37 CFR 1.10(c), thus satisfying the requirements under 37 CFR 1.10(c).

A review of the current petition papers reveals that "Express Mail" Label No. EV325935271US was placed on the "postcard" prior to the original mailing by "Express Mail." CFR 1.10(c)(2). Finally, the copy of the customer receipt of "Express Mail" Label No. EV 325935271US filed with the present petition identifies the day of deposit as "24 January 2005." 37 CFR 1.10(c)(3).

Accordingly, the items under 37 CFR 1.10(c) have now been satisfied.

CONCLUSION

For reasons above, the petition under 37 CFR 1.10(c) is **GRANTED.**

The National Stage papers were received by the USPTO on 24 January 2005.

The filing receipt will be corrected to reflect that the National Stage papers were filed on **24 January 2005.**
